EXTERIOR

All New Strip & Paint completed in 2017 by Gulfstream, Savannah. Overall Matterhorn White with Yellow and Gold Accent Stripes.

INTERIOR

Gulfstream Long Beach Completion. **New Soft Goods and partial wood refurb completed June, 2017 by Gulfstream Aerospace.**

Gulfstream Premium Package Interior with elegant (16) sixteen passenger executive interior featuring eight berthable single passenger seats and two three-place berthable divans followed by a dual place divan opposite the aft galley. The interior is tastefully done in neutral tones of beige and tan. The forward cabin area features a flightdeck jumpseat, a forward left-hand closet, a right-hand crew refreshment area, and an externally serviceable **crew lavatory**. The forward seating area of the aircraft consists of four single seats with stowable console tables. The center section of the aircraft consists of a right-hand three-place divan opposite two single seats with a stowable console table. The aft section of the aircraft consists of a left-hand three-place divan opposite two single seats with a stowable console table. The three zones are each separated by removable curtain partitions.

The aft cabin area consists of a full-service **aft galley** and galley annex featuring granite countertops, a microwave oven, two (2) coffee makers, one (1) hot cup with time, an ice drawer, crystal, china & cutlery storage, and a gasper cooled wine and can storage in addition to the aft private lavatory with vanity cabinet and right and left-hand closets. Opposite the aft galley is a certified two (2) passenger flight attendant divan.

The cabin entertainment system was retrofitted by Gulfstream in 2017 and consists of six (6) 5.6" LCD monitor in the sidewall at each single seat location and dual (2) 14" Rosen LCD monitors in the fwd and aft window decorative panels. An upgraded **Collins Venue 6000 CMS** (Cabin Management System) is installed with touch screen controllers for galley, and for all seating areas. A **Genesys Airshow** passenger flight information system with cabin and cockpit display on the Honeywell CD-820 LCD CDU's, dual (2) Blue Ray DVD players, and new cabin speakers complete the cabin entertainment system.

Specifications and times are subject to verification. Aircraft offered is subject to prior sale, lease, and / or withdrawal from the market.
